

PHOENIX
CHILDREN'S

WELCOME TO THE PHOENIX CHILDREN'S CENTER FOR CANCER AND BLOOD DISORDERS TEACHING, LEARNING & CONNECTING (TLC) PROGRAM

Phoenix Children's Center for Cancer and Blood Disorders (CCBD) invites you to join our virtual cancer peer group, TLC.

TLC is a virtual meeting via ZOOM that takes place every Tuesday from 3:30-4:30 MT for our CCBD patients, ages 13 and up, to discuss of their diagnoses, treatment, coping mechanisms and transitional support.

Facilitated by Phoenix Children's Center for Cancer and Blood Disorders staff, TLC provides great way to meet others who understand you and your cancer experiences.

For more information regarding our TLC program, please contact:
Caley Nelson, LMSW, OSW-C at cnelson1@phoenixchildrens.com or
Melissa Meckenstock, CLS, at mmeckenstock@phoenixchildrens.com
