The screenshot shows a video player interface with a grey border. At the top, the text 'Important Information' is in red. Below it is a bulleted list of instructions. Further down, the word 'Volunteer' is in purple, followed by 'Working with Hospitalized Children' in a smaller purple font. At the bottom left is the Phoenix Children's logo, which consists of a red hand icon and the text 'PHOENIX CHILDREN'S'. At the bottom of the player is a standard video control bar with a play button, a progress slider, and a refresh button.

Note: If you exit the course before completion or pause it for too long, the system will not record you completed it. It will still display the Expired icon on your Dashboard.

Welcome to the Phoenix Children's Knowledge Library for volunteers

Here you'll learn more about the hospital and find tips for working with patients and their families. Other resources in the library will help you in your volunteer role. If you want to learn more about various medical conditions and diseases you will find that, too. Additionally, Phoenix Children's volunteers share their experience in several video clips.
