Exhaustion & Empowerment: The Challenges of Professional Success and Personal Fulfillment for Female Leaders

Presenting from Cohen Conference Center

## **Surgical Grand Rounds**

# Tuesday, April 2, 2024

## Leah Brown, MD, FAAOS

Assistant Clinical Professor Department of Orthopaedic Surgery University of Arizona College of Medicine - Phoenix Team Orthopedic Surgeon, Phoenix Mercury Assistant Team Orthopedic Surgeon, Phoenix Suns

- 1. Highlight the dual struggle faced by female leaders: achieving professional success while maintaining personal fulfillment.
- 2. Discuss the societal expectations and stereotypes that often hinder female leaders' progress.
- 3. Encourage advocacy for systemic change and better mentorship of the next generation of female leaders.

About this presenter:

Leah Brown, M.D., is a board-certified orthopaedic surgeon specializing in sports medicine and treatment of the knee, shoulder, and elbow. She received her Bachelor of Science in genetics from the University of Georgia, where she was a 14-time NCAA All-American, and a two-time NCAA National Gymnastics Champion and was inducted into the University of Georgia's Circle of Honor in 2016. After completing her undergraduate work, she earned a Doctor of Medicine degree at The Ohio State University and The Cleveland Clinic Foundation, followed by a Surgery internship at the Naval Medical Center San Diego.
