

Safe Sleep Referral Program

Phoenix Children's Hospital is a Cribs for Kids community based program providing safe sleep education to at-risk families.

Every year in the United States, more than 3,500 infant deaths occur due to accidental or undetermined causes during sleep. Phoenix Children's Hospital is a Cribs for Kids community based program providing safe sleep education to at-risk families.

To refer a parent they must meet the following qualifications:

- Family must be considered financially in need.
- Family does not currently own a crib, bassinet, or playard.
- Expecting mother must be in her third trimester of pregnancy.
- Infant must be less than 6 months of age and weigh under 20 lbs.
- Parent must participate in a 1 hour Safe Sleep training to receive a free Pack 'n Play.
