

## Free App: Our Journey with Surgery

**Our Journey with Surgery** is a free app for families with a child who having surgery.

The **Our Journey with Surgery** app is designed to help you make sure you feel comfortable and confident in caring for your child. This app toggles between English and Spanish.

It includes:

- Topics to discuss and teach back to your health care team, so you can be sure you understand the condition, care, how to recognize problems, how to respond, and who to call.
- Information and resources, such as PDFs and links to online information
- A place to take notes
- Links to the Emily Center's health resources including the website, Facebook Pinterest, and Twitter pages
- An online form to request specific health information from The Emily Center
- How to contact The Emily Center

Search for **Our Journey with Surgery** in your app store.
